

## **Camping Gear**

### The Obvious

- Firstly, chose the right car for your trip - **2WD, AWD, 4WD** or campervan/ caravan
- **Roof top tent**, tent, swag - **we love sleeping in the roof top tent**
- Pillows, sleeping bags / blanket - even in Australia nights can get cold
- Camping table & chairs
- Camping stove with cartridge / gas bottle (Alternativ: Portable Stove for gas bottles)
- Icebox/ **Fridge** - depending if you have power supply or not
- Pots / Pans
- Camping plates, bowls, cups, cutlery, cutting board
  - ★ **BertaPick** - Opinel knives → **these are sharp as hell** 
  - ★ **BertaPick** - insolated camping cup - serves your coffee in the morning and also your gin&tonic / wine at the campfire
- Coffee pot
  - ★ **BertaPick** - **Bialetti** → best coffee made easy
- Water jerry can with sufficient amount of drinking water
- Head light - very handy, even if it looks weird
- light
- Some kind of rope - sometimes just good to have
- **Mosquito Repellent Spray !!!**
- Watch the sun - **hat, cap & sunscreen**
- First Aid Kit
-  **As the Aussies Do** - Stubby Cooler - cools your beer can

### BEYOND the obvious

- Solar panels
- BBQ - you got the gas bottle already
- ★ **BertaPick** - **Tap Key** → now you get free water everywhere
- Solar Shower
- Candle
- Dustpan & Brush
- Pegs → tie up your laundry if its windy and close some packaging
- **Mosquito Headnet**
- **Containers** to store all your equipment

## **Off-Road Equipment**

### **The Obvious**

- If your planning an off-road adventure, chose a **proper 4WD**, which can take you everywhere
- (Folding) **Shovel**
- Recovery Kit → Kits include all most important gear, such as different straps, some hooks and gloves
- **Recovery Boards**
- Compressor
  - ★ **BertaPick** - we bought a Dual Air Compressor - easy & fast especially for big tyres ;)
- Tyre Gauge
- Tyre Repair Kit
- Some **basic** tools - better be prepared in case you need some tools
- Spare Tyres - minimum one
- Radio / Satellite Telephone - don't rely on your mobile phone only
- Off line maps

### **BEYOND the obvious**

- Automatic Tyre Deflators (e.g.the ones from **KICKASS**) → nice to have
- Jerry Cans - depends on where you going
- ★ **BertaPick** - Leatherman - Ralle doesn't go camping without his **Leatherman**
- National Park Pass - might be worth to check out the prices for a yearly park pass
